

# iDentity Orthodontics

*Michael Stosich, D.M.D, M.S., M.S.*

## Promise

The promise of Dr. Stosich and identity orthodontics is simple and true: to provide our patients a personalized, attentive, and compassionate experience in achieving the smile they've always dreamed of.

### **Dr. Michael Stosich, D.M.D, M.S., M.S.**

- Awarded for Extended Research on Accelerated Tooth Movement
- Faculty at the University of Chicago and Comer Children's Hospital
- Guest Teacher at The University of Dijon France
- Member of American Association of Orthodontists
- An Orthodontist Who Truly Cares About You

## Our Patients

At iDentity Orthodontics, our patients are the most important people in our practice! We place high importance on making sure all of our patients are provided with a personalized experience so they can achieve the smile they've always dreamed of. We have the highest of standards and use the most comprehensive, state-of-the-art orthodontic treatments available.

## **100% Smile Guarantee Program**

Dr. Stosich stands behind his orthodontic work with a 100% Smile Guarantee. If your teeth ever require re-straightening after you complete full treatment, even if you forgot to wear your retainer, we will gladly replace your braces at no charge. The only cost to you is a nominal monthly charge for adjustments and the cost of a new retainer. A healthy smile should last a lifetime. For those rare occasions when it doesn't, there's the iDentity Orthodontics Smile Guarantee.

**Your Smile is Our Specialty...**

**iDentity Orthodontics is proud to sponsor local schools and sporting teams.**

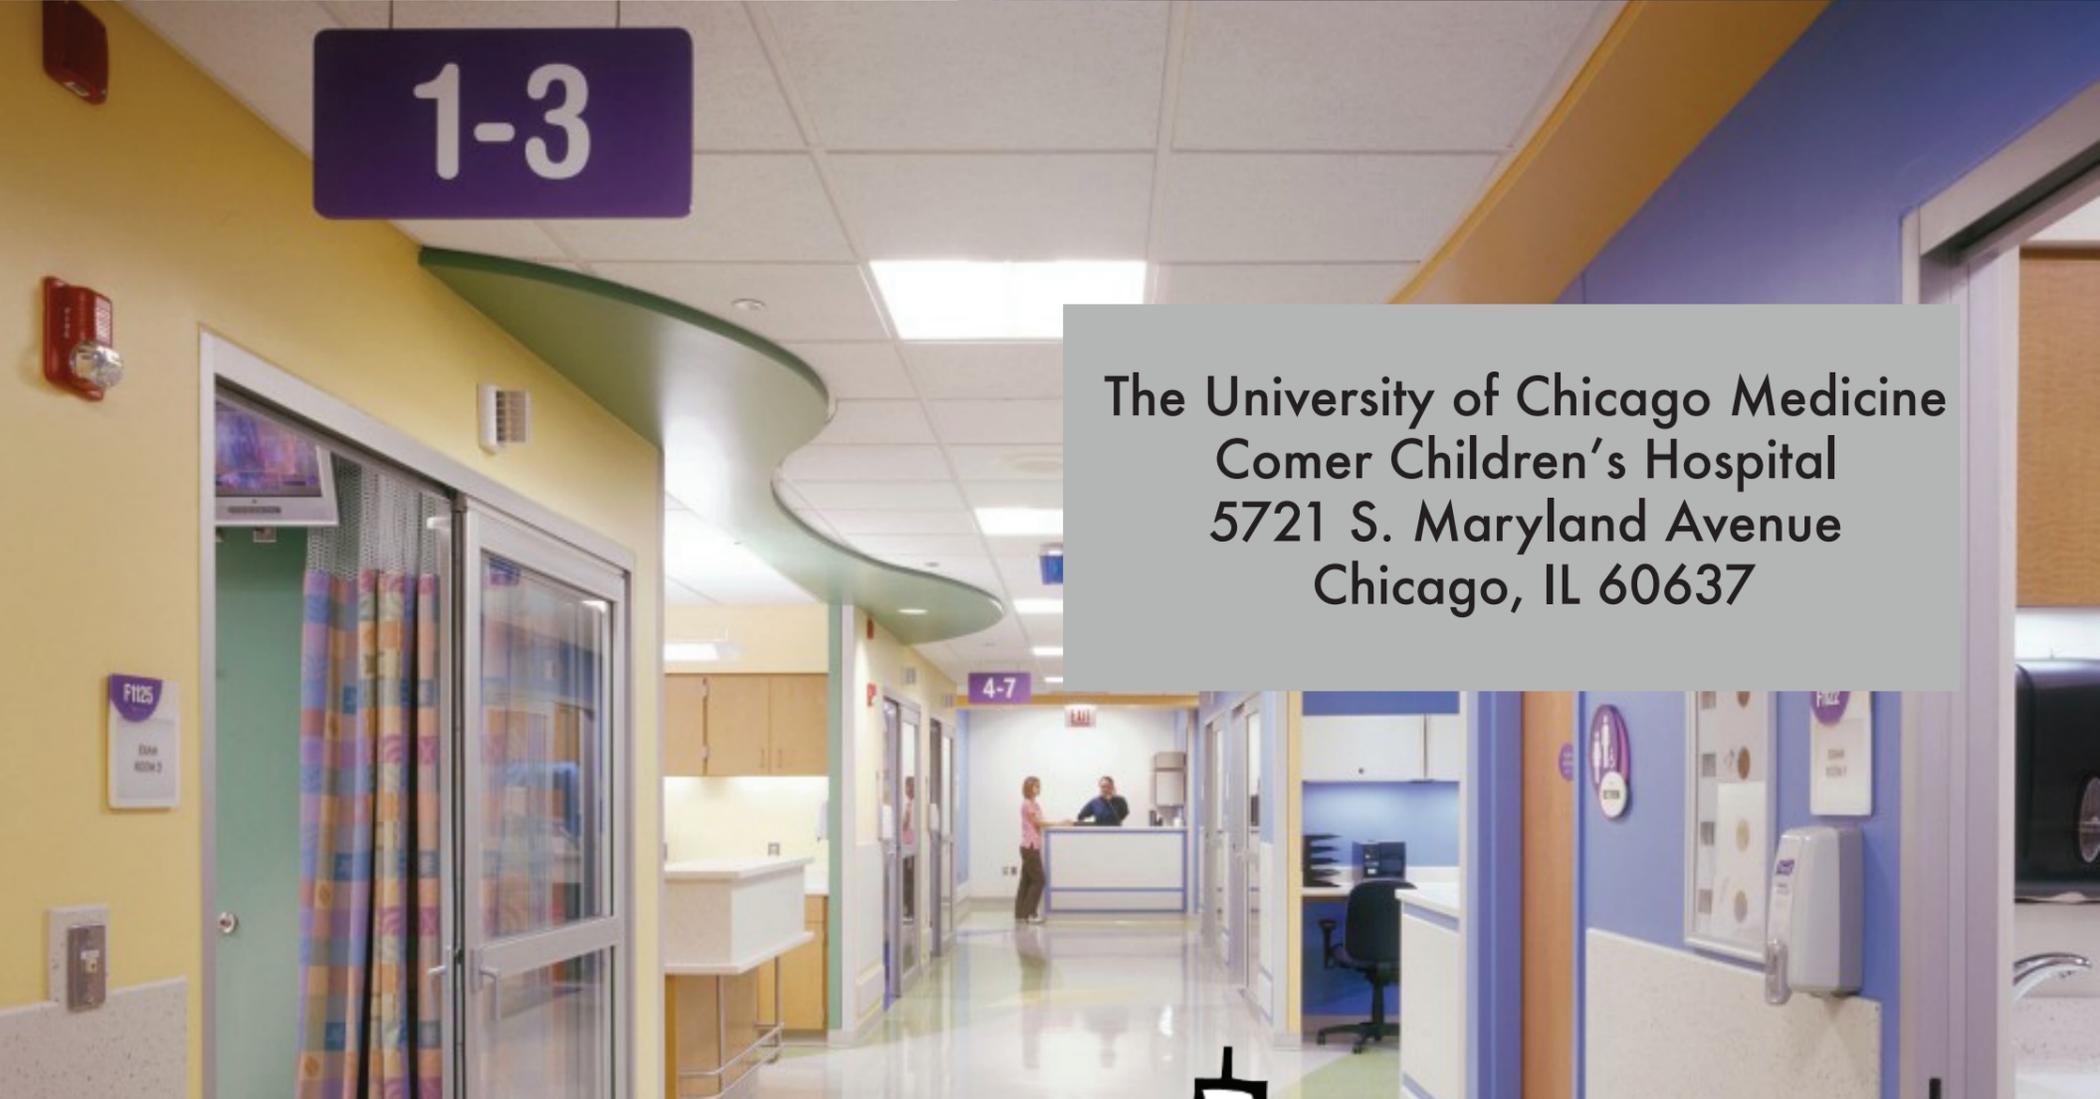

We have built a reputation of giving back. From smile scholarships, to supporting local schools and programs, to supporting our patient families and businesses. Dr. Stosich puts his heart and soul into the communities he serves.

A photograph of the exterior of the iDentity Orthodontics building. The building is constructed of red brick with a light-colored stone base. The sign for the business is mounted on the brick wall. The sign features the word "iDENTITY" in a stylized font, with the "i" in green and "DENTITY" in white. Below it, the word "ORTHODONTICS" is written in a larger, white, serif font. The building has large windows with green frames. The sky is clear and blue.

Dr. Stosich is also an active craniofacial researcher and educator, having spent seven years at top research universities where he performed studies on how to move teeth more efficiently through bone, leading to published works on important advancements in treating orthodontic patients. As a result of his academic work, Dr. Stosich has been asked to lecture at numerous annual meetings throughout the U.S. and overseas. His achievements were also awarded by the National Institute of Health, which endowed grants toward future study. He continues this work at the University of Chicago.
